

LWGC

SITE INFORMATION

Parking at LWGC

Where should LWGC members park?

The designated LWGC car park is to the left of the building and we have spaces immediately in front of the LWGC building too (**but not opposite it**).

On arrival please make every effort to park in one of the spaces in our car park or in front of the building. Please see our designated car park and parking spaces below.

Where should members park if the car park is full?

Members can park along the fence line in the over flow parking spaces, **but only if** the LWGC car park is full. Please make every effort to park in the LWGC designated parking spaces before parking along the fence line.

What about other parking spaces on site?

This is a shared site and there are several other offices surrounding that require parking spaces. It is important that parking spaces are available for both office staff and visitors to those offices. Designated parking for the offices is directly opposite LWGC and around the brick building. Please help us to maintain a good relationship with our neighbours.

Under no circumstances are LWGC Members to park in the 6 Spaces opposite the gym – these must be kept clear for the users of the offices.

Drop & Go

When should children go into the gym?

All children should go straight into the gym when they arrive at LWGC for their class.

Once in the gym, children will be able to sit down on the floor matting, this side of the marked white line and watch whilst they wait for their class to start.

Children should not go upstairs to the viewing gallery **before** their class, unless they need to get changed or are here waiting for a sibling's class to end before theirs.

Did you know that you could drop your child off for class and leave site?

Once your child has gone into the gym, you are free to leave the site and pop back later to collect them.

Where could you go?

For those who don't know the local area, below are some of the local amenities.

Near LWGC			
Tesco (Southam)	CV47 0FG	4.4 Miles	8 Minutes
Asda (Leamington Spa)	CV31 1YD	3.5 Miles	9 Minutes
Aldi	CV31 3LZ	4.1 Miles	12 Minutes
Shires Retail Park	CV34 6RH	4.4 Miles	12 Minutes

What if we need to contact you?

In the unlikely event that we need to contact you during class, we will contact you using the information we hold on our system. Please login to your child's account or email us if and when this needs updating.

Running late?

Don't panic! If you are not here to collect your child at the end of their class, your child will be taken back into the gym where they will wait until you arrive.

We really appreciate your support, thank you in advance.

Abby & Dave
